

Brenda Lawson, MA
Pee Dee Mental Health Center

Mrs. Brenda Lawson, MA is a long time therapist with the Pee Dee Mental Health Center (Florence Clinic) - Child, Adolescent and Family Division providing services to School Mental Health Services patients in Florence School District One (middle/high school) as well as outpatients.

Mrs. Lawson has been employed with Pee Dee Mental Health since June 2005. Mrs. Lawson was named Employee of the year in 2013.

Mrs. Lawson is an employee who works diligently to meet deadlines. She attends supervision meetings as scheduled and participates in treatment team meetings. Mrs. Lawson continues to work hard with outpatient and school mental health services patients, providing continuity of care daily. Mrs. Lawson has gone beyond providing individual, family, group therapy for family and has helped with housing, food, and transportation for several of her patients. Mrs. Lawson exceeds her monthly productivity/direct service numbers consistently.

Mrs. Lawson works diligently to ensure that continuity of care is continued with her outpatient and School Mental Health Services patients daily. Mrs. Lawson has established a great rapport with school administration, faculty, staff, patients and their families. Not only Pee Dee Mental Health Center but her patients are also satisfied with her work, they praise her dedication to providing continuity of care daily.

Mrs. Lawson has obtained her certification in Trauma Focused-Cognitive Behavioral Therapy and has completed the national Adoption competency Mental Health Initiative (NTI) and is always wanting to attend trainings to learn more.

Mrs. Lawson is willing to go the extra mile to assist patients and families. Mrs. Lawson's clinical experience and dedication to her work makes her a deserving candidate.
