

Charleston/ Dorchester Community Mental Health Center

Emily Rountree

Dr. Emily Rountree is board certified in both adult and child psychiatry by the American Board of Psychiatry and Neurology. She is regarded as incredibly helpful, experienced, approachable, and available by her peers. She is always open to seeing additional patients. She has exceeded her metrics including Collaborative Documentation (CD), Productivity and Neuroleptic Consent completion. Peer audits are solid and complimentary of her documentation skills. I receive only positive feedback in regards to Dr. Rountree's performance.

During her time here, Dr. Rountree has established herself as one of our top psychiatrists. She serves both children and adults, sees patients for both the Intensive Community Treatment team and Mental Health Court and accepts new responsibilities in schools as well. She has been very flexible in accepting various assignments in the course of the year and has worked diligently in optimizing the efficiency of her schedule. Dr. Rountree is actively involved in the supervision of MUSC residents and their feedback has only been positive. Other staff agree, calling her "diligent", "wonderful to work with" and that "she doesn't dismiss my concerns and treats me like an equal".

In summary, Dr. Emily Maria Rountree is an excellent psychiatrist, respected colleague, appreciated teacher, and mentor. She remains dedicated to her patients and is regarded as a great team player. She approaches tasks with enthusiasm, dedication, and a smile. She has earned my highest rating and I feel very fortunate to have her as part of our clinical team. I personally look forward to our continued collaboration.
