Based upon the following determination, the proposed procurement action described below is being procured pursuant to the authority of Section 11-35-1560 of the South Carolina Procurement Code and 19-445.2105 of the Rules and Regulations, 1976 South Carolina Code of Laws.

This agency proposes to procure: Multidimensional Family Therapy (MDFT)  
(1)

as a sole source procurement from: MDFT International Inc.  
(2)

On the basis of:

The SC Department of Mental Health (SCDMH) issued out a solicitation for MDFT training but had no responses. SCDMH then did an Intent to Sole Source for MDFT training in the SC Business Opportunities (SCBO) online periodical. MDFT International was the only respondent to this Intent to Sole Source and internet research yielded no other providers for this training. MDFT International is therefore the only suitable and acceptable provider of these services to SCDMH and total expenditures are not expected to exceed \$200,000 during the calendar year.
